Step-by-Step Guides to Reporting Antisemitic Content on Major Social Media Platforms

Reporting antisemitic content on social media networks is easy and anonymous. The account/person who posted the content will not see you reported it.

You can find step-by-step guides to reporting hateful content on the most popular social media platforms below.
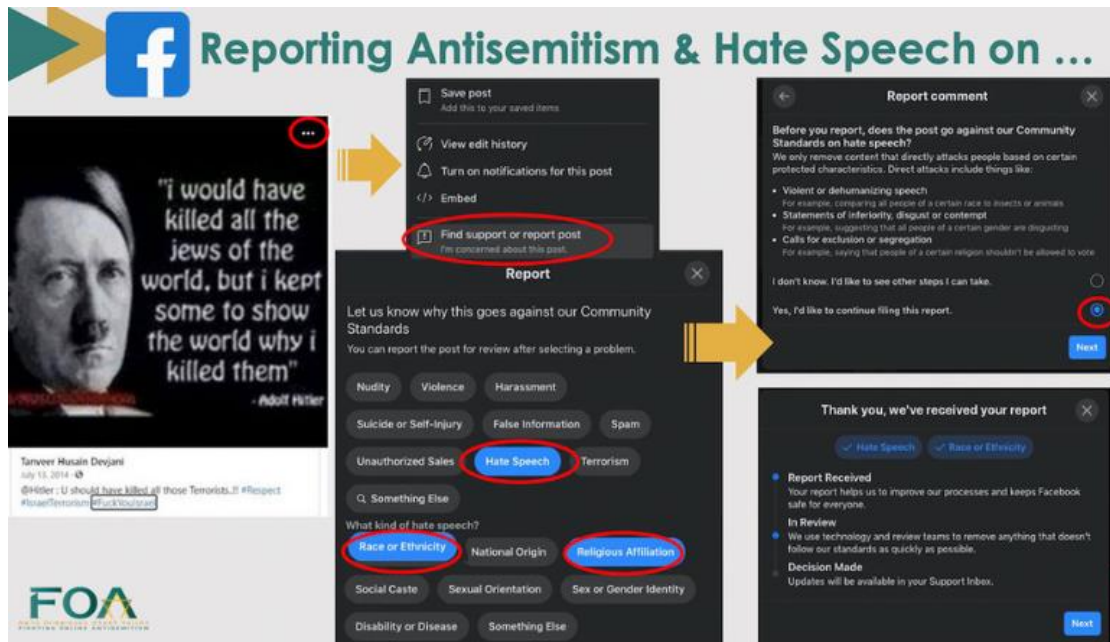

If you have any questions, please email: monitor@foantisemitism.org

Please share your reports with Fighting Online Antisemitism (FOA) by clicking on "Report Hate" on the top right corner of the FOA website so that follow-up action can be taken if the problematic content is not removed.

Facebook

To report antisemitic posts on Facebook:

– Go to the post you want to report.

– Click more ⋯ in the top right of the post.

– Click **Find support or report post**.

– Click the option that best describes how this post goes against Facebook's Community Standards.

– In the case of antisemitic content, choose **Hate Speech** => **Race or Ethnicity** and/or **Religious Affiliation**.

– Click **Next**.

– Choose **Yes, I'd like to continue filing this report**.

– Click **Done**.

Instagram

If you have an Instagram account, you can report a profile or content on Instagram that doesn't follow its Community Guidelines.
This includes:

– Hate speech or symbols

– Racist language or activity

– Violence or dangerous organizations

– Bullying or harassment

You can also report a profile for posting content it shouldn't be.

To report a post in your feed:

– Tap ⋯ (iPhone) or ⋮ (Android) above the post.
– Tap **Report**.
– Follow the on-screen instructions. In case of hate speech, choose: **It's**

inappropriate => **Hate speech or symbols**
– Click **Submit Report**.

TikTok

To report a video posted on TikTok that violated its Community Guidelines:

– Go to the video.

– Tap **Share**.

– Select **Report** and follow the instructions provided. In case of hate speech,

choose: **Hate speech**.

– Describe the post shortly. For example: "This video calls to kill Jews and shows the

burning of the Israeli flag."

– Click **Submit**.

Twitter

Not sure if you should report a tweet? Read Twitter Rules and Terms of Service to get more information about appropriate and inappropriate content.

Reporting an abusive Tweet:

– Navigate to the Tweet you'd like to report on twitter.com or from the Twitter for iOS/Android app.

– Click the ⋯ icon.

– Select **Report Tweet**.

– Select **It's abusive or harmful**.

– Next, you will be asked to provide more information about the issue you're reporting. In case of hate speech, select **It directs hate against a protected category (e.g., race, religion, gender orientation, disability)**.

– Select who is targeted by the tweet. In the case of hate speech, select **A group of people**.

– You may select additional Tweets from the account you're reporting.

YouTube

A video can be reported at any time once uploaded to YouTube, and then it is reviewed by YouTube staff. To report content on YouTube that violated its Community Guidelines:

– Sign in to YouTube.

– Below the player for the video you want to report, click ⋯ **More.**

– In the drop-down menu, choose **Report**.

– Select the reason that best fits the violation in the video. In the case of hate speech, choose **Hateful or abusive content** => **Promotes hatred or violence**

– Provide additional details that may help the YouTube review team make their decision, including timestamps or descriptions of the violation. For example: "This video expresses hatred against Jews and antisemitism. In the video, it is said that Jews are secretly ruling the world and conspiring to harm humanity."

– Click **Report.**
